STRAIGHT SHOOTER

Small wonder it's so popular. The Plinker-22 series is engineered specifically for your .22 rifles and rimfires. Made for plinking and general hunting, these scopes offer bright clear optics and the durability of scopes costing significantly more. We even provide the 3/8" rings as a bonus. Built to withstand the rough outdoors, the Plinker-22 is waterproof, fogproof and shockproof. With fully coated optics, a 30/30 reticle, included 3/8" dovetail rings and scope caps, Plinker-22 is simply the best value you can get anywhere.
