User's Manual for Keypad Safe
Read all instructions before using this safe.

WARNING

- Test registered pin code a few times before closing the safe door.
- Avoid leaving door open and unattended; it will allow unauthorized individuals to reprogram the safe, gaining full access to the safe and its contents.
- Test the Emergency Keys and store them in a secure place, NOT inside of the safe.
- Test and make sure the safe works properly before mounting.
- Mount the safe before use because the safe has a small base with a heavy door, and will tip forward if not properly mounted.
- Keep children away from safe; they should not play with or around the safe at anytime. Children at play could accidentally get locked inside the safe or accidentally pull on the safe door causing safe to tip over if not properly mounted.
- Failure to follow these warnings could result in serious injury or death.

NOTE: BARSKA is not responsible for any damage or lost contents in the safe due to moisture.

NOTE: BARSKA is not responsible if the safe is stolen or contents in the safe.

TESTING PERSONAL PIN CODE

1. With the safe door open and the Bolts extended in the locked position, enter in your personal pin code on the Keypad and press the "#" symbol.
2. Turn the Handle.

If pin code was registered correctly the Bolts will retract.

If pin code was NOT registered correctly the Bolts will stay in the locked position.

If pin code was NOT registered correctly repeat steps in "FACTORY DEFAULT MODE \ CREATING A PERSONAL PIN CODE".

3. Test a pin code that is not registered to ensure the Bolts will stay in the locked position.

OPENING & CLOSING SAFE WITH PERSONAL PIN CODE

OPEN:

1. Enter in your personal pin code on the Keypad and press the "#" symbol.
2. Turn the Handle clockwise to the unlock and pull the safe door open.

CLOSE:

To close safe, close door and turn Handle counter clockwise to the lock position.

CHANGING PERSONAL PIN CODE

Follow steps in "FACTORY DEFAULT MODE \ CREATING A PERSONAL PIN CODE"

LOCK OUT MODE

When the wrong pin code is entered 3 consecutive times lock out mode will activate for 5 min; safe cannot be used during this time; please wait or open with emergency keys.
SOUND OPTIONS
Sound OFF
Press *633 on keypad

Beep ON
Press *66 on keypad

OPEN SAFE WITH EMERGENCY KEY
1. To expose the Emergency Key access, remove Logo Plate screws with provided tool
2. Insert Emergency Key into key access, push and turn key counter-clockwise, and turn Handle clockwise to open the safe

NOTE: Store Emergency Keys in a secure place, NOT inside of the safe

LOW BATTERY WARNING
1. When the door is closed and 3 repetitive beeps are heard, and Indicator Lights flash red, it indicates the batteries are low
2. Replace batteries immediately
   - Open safe, remove Battery Compartment cover and all 4 AA batteries
   - Insert 4 new AA batteries and restore Battery Compartment cover

NOTE: After batteries are out over 24 hours, all the registered PIN codes will not be retained. Please use the key to open the safe and reset the PIN codes.

CARE AND MAINTENANCE
- To maximize the security and performance of the safe, keep keypad clean; use a dry cloth to remove any smudges after each use
- Keep liquids away from the control panel. Spills on the control panel will cause damage and possibly electric shock
- Secure safe in a proper area to prevent from falling and causing damage or injury
- DO NOT disassemble the product. For all repairs, contact BARSKA Customer Service
- DO NOT use chemicals or cleaning agents to clean the safe

MOUNTING INSTRUCTIONS
The safe must be mounted to a wall or floor. Be aware of the load bearing. Failure to do so can result in personal injury and/or damage to property. Use appropriate tools when performing work and always use eye protection

Wall Mounting
Do not mount the safe without anchoring to the wall
- Find the studs in the wall, at your desired location.
  - Most studs are 16 inches or 24 inches apart
- Check the wall for concealed wires or pipes Measure the location of the pre-set drill holes; mark their exact position onto the wall ensuring that the studs or anything else behind will not interfere
- Drill the appropriate size holes for the anchors you are using
- Carefully press the anchor into the holes at this time
- Mount the safe by running screws from inside of the safe and securing to anchors; ensure the safe is mounted securely

Floor Mounting
- Use proper drill tools depending on the type of floor you are mounting the safe (wood, tile, or concrete)
- Measure the location of the pre-set drill holes; mark their exact position onto the floor
- Drill the appropriate size holes for the anchors you are using
- Carefully press the anchor into the holes at this time
- Mount the safe by running screws from inside of the safe and securing to anchors; ensure the safe is mounted securely

1 YEAR LIMITED WARRANTY
Safe
BARSKA warrants this new safe to be free of original defects in material and/or workmanship under normal use for a period of twelve (12) months from the date product is received by purchaser. This warranty does not include damage caused by improper installation or maintenance. Damage from misuse, abuse, accident (such as dropping), normal wear and tear, fire, flood, or acts of nature. Damage from service or repairs other than those performed by BARSKA. Labor, cost and shipping charges for the removal and replacement of defective parts beyond the initial twelve-month warranty period. All transportation and shipping charges. Removing or altering the seal under any circumstances will automatically void the warranty.

This warranty is limited to original purchaser and is not transferable. This warranty applies only to products purchased in the United States.

Please email info@barska.com or call 1.888.666.6769 for Return Merchandise Number (RMA#) before any returns. The RMA number must appear on the outside of the shipping package. Product must be packed carefully and sturdily in its original packaging to prevent damage in transit and returned freight pre-paid to:

BARSKA OPTICS
Repair Department
855 Towne Center Drive
Pomona, CA 91767

Please include all of the following when returning BARSKA products for service and/or replacement:
1. Please write your complete details (Name, Address, Telephone #, E-mail address, RMA#, etc.)
2. Purchase receipt or Proof of Purchase. (Original/ Copy)
3. A brief explanation of the defect.
4. A Check/Money Order to cover inspection, shipping and handling. Charges are as follows:
   $50 - Large
   $60 - Standard

BARSKA will examine and test returned product and repair or replace defective part(s) or units with new part(s) or a new unit if necessary within the warranty period. Purchaser is required to remit amount above to BARSKA for return shipping and handling at time product is returned. If repair is required after warranty period expiration, purchaser will be charged for replacement parts and return shipping.

BARSKA® Optics shall not be liable for any consequential, incidental and/or contingent damages whatsoever. We will not pay shipping, insurance or transportation charges from you to us, or any import fees, duties and or taxes. This warranty supersedes all previous BARSKA® Optics warranties.
