- Neck Strap
Basic Binocular Use

1. If you wear eye glasses, fold down the eyecups and hold the eyepieces up against your glasses.

2. Hold up the binocular to your eyes in the normal viewing position, use both hands to hold each barrel firmly.

3. Pull the barrels apart or push the barrels together until you see a single circular field with both of your eyes.

4. Choose your target object.

5. Looking with only your left eye, turn the focus knob until the object you are looking is focused.

6. Looking with only your right eye, turn the diopter scale until the object you are looking is focused.

7. Now, looking with both eyes, turn the focus knob to focus on both far and near objects.

WARNING
NEVER USE YOUR BINOCULAR TO LOOK AT THE SUN

Looking at or near the sun will cause instant and irreversible damage to your eyes.

![USB Online Setting Diagram]
Installation

Before using the PC Cam, please make sure to install the CD driver to the PC

1. Put the CD into the PC CD-ROM, PC will read the CD automatically.

2. Then you will find this image on the computer screen, please select “NEXT” of each dialog box, the PC will complete installation gradually.

3. Wait until the last image appears and press “Finish” you have finished installation.

4. Make sure your PC is connected to the binocular by the USB cord to start this software, or warning window (below) will be appear on the screen.
5. Please select “option” then “preview” (see sample below), and it will start the PC Cam function

Using PC Cam

1. When you select PC Cam, link the USB cable to the PC’s USB slot, the PC will be in sync with the unit automatically, wait for the video images to appear, the unit is now in sync with the PC.

Note: Image may be hazy unless the photographic distance of binocular is more than 60ft/18m away, not suitable for close distance.
BINOCULARS WITH DIGITAL CAMERA

BARSKA® Optics, as manufacturer, warrants this new precision optical product to be free of original defects in materials and/or workmanship for the length of time specified by this warranty. This warranty does not include damage caused by abuse, improper handling, installation, maintenance, normal wear-and-tear, unauthorized repairs or modifications and tampering in anyway.

This warranty is limited to the original purchaser and is not transferable. This warranty applies only to products purchased in the United States of America and Canada.

In the event of a defect within 30 days, the consumer must return the defective unit to the BARSKA dealer (the place of purchase) at his/her own expense.

Beyond 30 days, BARSKA products should be sent to the following address for warranty repairs. Products must be packed carefully and sturdily to prevent damage in transit, and returned freight prepaid to:

BARSKA® OPTICS
Repair Department
855 Towne Center Drive
Pomona, CA 91767

For additional and updated information please visit our website at www.barska.com

Please email info@barska.com or call 1-888-666-6769 for Return Merchandise Number (RMA#) before any returns.

NOTE: All merchandise received without a valid RMA # will be returned to shipper at his/her own expense.

Please include all of the following when returning BARSKA products for service and/or replacement:
1. Please write your complete details (Name, Address, Telephone #, E-mail address, RMA#, etc.)
2. Purchase receipt or Proof of Purchase. (Original/Copy)
3. A brief explanation of the defect.
4. A Check/Money Order of $25.00 to cover inspection, shipping and handling.
*Please allow 6-8 weeks for delivery.

This product will either be replaced or repaired at the discretion of the warrantor. If it's a discontinued item, we will replace the product with an equivalent product. Should the repair not be covered by this warranty, an estimate will be sent for your approval. Non-warranty repairs or refurbishing of your optical products are always provided at a reasonable cost.

BARSKA® Optics shall not be liable for any consequential, incidental and/or contingent damages whatsoever. We will not pay shipping, insurance or transportation charges from you to us, or any import fees, duties and or taxes. This warranty supersedes all previous BARSKA® Optics warranties.
