CHARGING BATTERY

1. Remove battery and charger from packaging.
2. Plug the charger into an electrical outlet and insert the battery into the battery slot and be sure to note the polarity.
3. Battery will be fully charged when indicator light is green. Disconnect the charger from the electrical socket and remove battery.

NOTE
- Recharge battery after continuous use of flashlight, see chart.
- Recharge battery if flashlight turns off by itself after a short time period before using the flashlight again.
- Charge time of depleted battery: approximately 4 hours to fully charge.
- Battery has 800 rechargeable cycles.
- DO NOT charge any other battery other than 18650 type battery.
- 3 month warranty on rechargeable battery.

OPERATION

1. Once battery has been fully charged insert battery into flashlight by unscrewing tail cap of flashlight with the battery positive end first. Screw tail cap back onto the flashlight.
2. To turn flashlight on, press and hold button firmly. You will hear a click. Flashlight is on and is at the Highest setting.
3. To switch through the various lighting modes gently press the button. Lighting modes are as follows:
   - Tap once Medium Lighting Mode
   - Tap once more Low Lighting Mode
   - Tap once more Rapid Strobe Mode
   - Tap once more S.O.S. Light Pattern Mode (3 short bursts, 3 long flashes, 3 short bursts)
   - Tap once more High Light Mode.
4. To turn flashlight off at any of the lighting modes, release the cable switch button.
5. To remove the momentary on/off long cable switch, unscrew the long cable switch from flashlight and set aside. While keeping battery in the flashlight, screw the tail cap on to the flashlight.

MOUNTING FLASHLIGHT

1. With an Allen wrench loosen the top screws of the ring and carefully separate the top piece of ring from the bottom half.
2. Position the tube of the flashlight in the groove of the bottom half of the ring.
3. Place the top piece of ring with screws over the top of the flashlight and screw tail cap back onto the flashlight.
4. With an Allen wrench tighten screws to join the top and bottom halves of the ring together. Your flashlight is ready to be mounted to a firearm.
5. Loosen the lock nut located on the side of the ring, mount ring with flashlight using the grooves of the ring to the rail of the firearm and tighten the lock nut in place.
6. To dismantle mounted flashlight, loosen lock nut and remove mounted flashlight from the rail of firearm. Using an Allen wrench unscrew the screws from the top of the ring and remove flashlight from ring. Place top half of ring on top of the bottom half of the ring and screw pieces back together.

1 YEAR LIMITED WARRANTY

FLX High Powered Flashlight
BARSKA® Optics, as manufacturer, warrants this new precision optical product to be free of original defects in materials and/or workmanship for the length of time specified by this warranty. This warranty does not include damage caused by abuse, improper handling, installation, maintenance, normal wear-and-tear, unauthorized repairs or modifications and tampering in anyway. This warranty is limited to the original purchaser and is not transferable. This warranty applies only to products purchased in the United States of America and Canada.

In the event of a defect within 30 days, the consumer must return the defective unit to the BARSKA dealer (the place of purchase) at his/her own expense. Beyond 30 days, BARSKA products should be sent to the following address for warranty repairs. Products must be packed carefully and sturdily to prevent damage in transit, and returned freight prepaid to:
BARSKA® OPTICS
855 Towne Center Drive
Pomona, CA 91767

For additional and updated information please visit our website at www.barska.com

Please email info@barska.com or call 1-888-666-6769 for Return Merchandise Number (RMA) before any returns.

NOTE: All merchandise received without a valid RMA # will be returned to shipper at his/her own expense.

Please include all of the following when returning BARSKA products for service and/or replacement:
1. Please write your complete details (Name, Address, Telephone #, E-mail address, RMA#, etc.)
2. Purchase receipt or Proof of Purchase. (Original/Copy)
3. A brief explanation of the defect.
4. A Check/Money Order of $25.00 to cover inspection, shipping and handling.

*Please allow 6-8 weeks for delivery.

This product will either be replaced or repaired at the discretion of the warrantor. If it's a discontinued item, we will replace the product with an equivalent product. Should the repair not be covered by this warranty, an estimate will be sent for your approval. Non-warranty repairs or refurbishing of your optical products are always provided at a reasonable cost.

BARSKA® Optics shall not be liable for any consequential, incidental and/or contingent damages whatsoever. We will not pay shipping, insurance or transportation charges from you to us, or any import fees, duties and or taxes. This warranty supersedes all previous BARSKA® Optics warranties.
