Minimum Advertising Price (MAP) Policy

Effective June 1st 2018

Welcome to Barska,

Barska is committed to enforcing MAP Policies which allow our resellers to maintain high profit margins through the sale of our products. Each reseller selling Barska products retains the freedom to establish their own price at or above MAP to ensure fair business practices and to protect our brand and customers. The MAP Policy applies to all advertisements in any and all media involving the listed MAP Products.

With Barska's express consent and approval resellers may promote and advertise Barska Products at prices lower than the MAP. Resellers are also responsible for ensuring their Barska Product pricing is at or above MAP on their website listings. Distributors are exempt from this Policy and may continue to sell Barska products at their established prices; but have the obligation for their dealer to ensure MAP Policy.

Barska has, without assuming liability, the right to refuse to sell either directly or indirectly to such resellers and the ability to terminate the reseller's eligibility to carry Barska in its inventory. Barska reserves the right to withdraw eligibility from non-compliant resellers to:

- (1) Participate in advertising and/or sales programs.
- (2) Obtain marketing funds or co-operative advertising funds.
- (3) Receive competitive pricing.
- (4) Access to Barska products.

Barska encourages resellers to comply with the MAP Policy and shall not, under any conditions or agreements, implied, written or otherwise stated be enforced by Barska. Resellers may contact only Barska representative(s) for comments, questions or concerns regarding the MAP Policy. The MAP Policy has been adopted unilaterally by Barska and may; at our discretion, be updated or changed without prior notice. No Barska representative, employee, or distributor has the authority to modify the Policy. Any reseller who has been informed of any alterations of the Policy should immediately notify authorized Barska representatives.

To acknowledge that you have read and understood the Barska MAP Policy, please fill in the details below. Thank you for taking your time and attention to this matter, we look forward to doing business with you.
