

## Key Cabinet Support Bracket Installation

### WARNING

Please mount the product before use, failure to do so might result in serious injury.

Install support brackets as soon as possible.  
Key Cabinet may fall over if support brackets are not installed.

Barska does not guarantee that its products will absolutely stop theft, vandalism, burglary. Our products are only a deterrent to such acts.

1. Safely place cabinet on it's side to reveal pre drilled holes under the key cabinet.
2. Open the cabinet. With the 4 included screws put the screws through the inside of cabinet and screw onto the support brackets.
